

## **2N® INDOOR VIEW**

ANSWERING UNIT WITH FULL SCREEN VIDEO

The main benefit of the 2N<sup>®</sup> Indoor View answering unit is a 7" touchscreen with wide viewing angle. The unit's tempered glass surface and award-winning design perfectly match any luxury residential project. To install the device, all you need is a UTP cable and an installation box. Our custom operating system is your guarantee that the unit will operate reliably and simple configuration.

- 7" HD touchscreen
- Full screen video calls
- Award-winning design
- Residents' privacy in safe hands
- First configuration from the convenience of your office
- Produced and developed in Europe
